_____	3 Hours	Grade _____
_____	3 Hours	Grade _____

**Total Hours: 16**

**Student Degree Program Requirements.**

A student’s degree program requirements are those specified in the catalog in effect at the time of declaration of program minor. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
