- If passed by earning a grade of 75% or better, it is the student's responsibility to drop the course a week before the start of classes to allow other students the opportunity to enroll and to receive a 100% refund.
- Credit earned is posted as CR credit and does not count in GPA.
- Students who successfully complete the challenge exam should check with the UAFS Financial Aid Department to discuss how the credit will affect financial aid and scholarships. **Credit earned via the challenge exam does not count as hours earned for federal financial aid and the Arkansas Challenge Scholarship.**
