Bachelor of Science in Dental Hygiene (BSDH) University of Arkansas - Fort Smith In Partnership with University of Arkansas Community College at Morrilton

University of Arkansas Community College at Morrilton (UACCM) students interested in earning a Bachelor of Science in Dental Hygiene (BSDH) degree from the University of Arkansas – Fort Smith (UAFS) may complete the first two years (lower division coursework) of the bachelor degree requirements at UACCM by completing an Associate of Science in Liberal Arts degree approved by UACCM. Completed UACCM courses will be accepted by UAFS and applied to the BSDH degree requirements according to the UAFS Undergraduate Academic Catalog. UAFS will offer RHET 3203 Textual Research Methods and MCOM 2223 Communication Theory online. The remaining BSDH program requirements must be completed on the UAFS campus. Students must apply and be admitted into the Dental Hygiene Program. Selection is competitive based on courses, GPA, and interviews. See “Additional Program Information-Students Transferring and Applying for the Dental Hygiene Program.”

Mathematics stipulation- must take MATH 1203 College Algebra [<i>MATH 1403</i>] and MATH 2003 Introduction to Statistics [<i>STAT 2503</i>]; for social sciences- must take PSY 2003 General Psychology [<i>PSYC 1163</i>] and SOC 2013 Introduction to Sociology [<i>SOCI 2753</i>].			
2. These courses are used to determine major GPA, see Graduation Requirements section of the UAFS Undergraduate Academic Catalog. Enrollment in courses beginning with DHYG prefix requires admission to the dental hygiene program.			
3. ITA requirement- CIS 1013 Introduction to Computer Applications (UACCM) or ITA courses from UAFS.			
4. These courses must be completed prior to entrance into the dental hygiene program.			

5. Science courses taken more than five years prior to program application may not be eligible. See advisor for more information and to request a science course evaluation.
Admission to the program is highly selective. A grade of “C” or better is required in all courses applicable to this program.
Prior to graduation, students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of “C” or better, or by score of 70% or more on a challenge exam for FIN 1521.

ACTS Transfer Course Information

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment of the application of credits for the admissions and degree requirements. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Courses." See ACTS - Arkansas Course Transfer System acts.adhe.edu/studenttransfer.aspx for specific course information. See Acceptance of Transfer Credits section of the UAFS Undergraduate Academic Catalog for a complete list of transfer provisions.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
