Bachelor of Science in Organizational Leadership (BSOL) University of Arkansas-Fort Smith In Partnership with Carl Albert State College
--

Carl Albert State College (CASC) students interested in earning a Bachelor of Science in Organizational Leadership (BSOL) degree from the University of Arkansas (UAFS) may complete the first two years (lower division coursework) of the bachelor degree requirements at CASC by completing an Associate of Arts or Associate of Science in programs approved by CASC. Completed CASC courses will be accepted by UAFS and applied to the BSOL degree requirements according to the UAFS Undergraduate Academic Catalog. UAFS will offer the remaining BSOL degree requirements through online courses. Per the partnership agreement, UAFS will transfer 75 hours of lower division coursework for the BSOL.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not

enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
