

Appendix D

Bachelor of Science in Elementary Education University of Arkansas-Fort Smith In Partnership with Carl Albert State College Associate of Arts: Pre-Elementary Education
--

Carl Albert State College (CASC) students interested in earning a Bachelor of Science in Elementary Education K-6 from the University of Arkansas – Fort Smith (UAFS) may complete the first two years (lower division coursework) of the bachelor degree requirements at CASC by completing an Associate of Arts: Pre-Elementary Education. Completed CASC courses will be accepted by UAFS and applied to the Bachelor of Science in Elementary Education requirements according to the UAFS Undergraduate Academic Catalog. UAFS will offer the remaining degree requirements on the UAFS campus.

1	FIN 1521 Personal Financial Applications <i>[can be taken at CASC as BUS1111]</i>		
Total hours 120 At least 40 hours must be upper-level.			
NOTES			
1. General Education Core Requirements, see courses listed above.			
2. These courses are used to determine major GPA, see Graduation Requirements section of the UAFS Undergraduate Academic Catalog.			
3. Requirements for Admission in Educator Preparation Program (EPP). Consult with faculty advisor regarding School of Education Admission requirements and for courses taken after admission to program.			
4. Must be admitted to the School of Education Educator Preparation Program.			
Students must earn a grade of C or higher in all courses on the degree plan. Students must maintain a 2.75 cumulative GPA or better. GPA is tracked throughout the program and verified for admission into the internship.			
Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of C or better, or by a score of 70% or more on a challenge exam for FIN 1521.			

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and

changes. This document is not official until signed and dated by both the student and an authorized university representative.
