

Exhibit B

University of Arkansas - Fort Smith Bachelor of Science in Organizational Leadership (BSOL) [AAS Surgical Tech] In Partnership with the University of Arkansas - Pulaski Technical College Surgical Technology, A.A.S.

University of Arkansas - Pulaski Technical College (UA - PTC) students interested in earning a Bachelor of Science in Organizational Leadership (BSOL) degree from the University of Arkansas - Fort Smith (UAFS) may complete the first two years (lower division coursework) of the bachelor degree requirements at UA - PTC by completing an Associate of Applied Science in Surgical Technology at UA - PTC. Completed UA - PTC courses will be accepted by UAFS and applied to the BSOL degree requirements according to the UAFS Undergraduate Academic Catalog. UAFS will offer the remaining BSOL degree requirements through online courses. The transfer of general education courses required for the BSOL will be in accordance with the Arkansas Course Transfer System (ACTS) and the UAFS 75-semester-hour transfer policy related to lower division coursework for the BSOL.

Note: Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of C or better, or by a score of 70% or more on a challenge exam for FIN 1521.			

ACTS Transfer Course Information

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment of the application of credits for the admissions and degree requirements. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Courses." See ACTS - Arkansas Course Transfer System acts.adhe.edu/studenttransfer.aspx for specific course information. See Acceptance of Transfer Credits section of the UAFS Undergraduate Academic Catalog for a complete list of transfer provisions.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must reenter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
