

Appendix D

**Bachelor of Science in Elementary Education
University of Arkansas-Fort Smith
In Partnership with University of Arkansas Community College at Batesville**

University of Arkansas Community College at Batesville (UACCB) students interested in earning a Bachelor of Science in Elementary Education degree from the University of Arkansas – Fort Smith (UAFS) may complete the first two years (lower division coursework) of the bachelor’s degree requirements at UACCB by completing an Associate of Science in Elementary Education from UACCB. Completed UACCB courses will be accepted by UAFS and applied to the BS Elementary Education degree requirements according to the UAFS Undergraduate Academic Catalog.

3	READ 3803 Literacy Assessment and Intervention	2, 4	
3	READ 3903 Disciplinary Literacy	2, 4	
Total Hours: 123 At least 40 hours must be upper level.			
NOTES			
1: General Education requirements, see Graduation Requirements section of UAFS Undergraduate Academic Catalog OR follow the UACCB General Education requirements.			
2: These courses are used to determine major GPA, see Graduation Requirements section of the UAFS Undergraduate Academic Catalog.			
3: Requirements for admission in Educator Preparation Program (EPP). Consult with faculty advisor regarding School of Education admission requirements and for courses taken after admission to program. The School of Education (SOE) at UAFS requires twelve hours of math courses beyond College Algebra prior to admission into the Elementary Education program. Students who transfer to UAFS with the earned AAT and who successfully complete the Elementary Mathematics Subtest (details found here https://www.ets.org/praxis/ar/requirements/) will not be required to take the additional math courses in order to be admitted into the program. Students must still complete 120 hours in order to graduate with the BS in Elementary Education.			
4. Must be admitted to the School of Education Educator Preparation Program.			
Note: Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of C or better, or by a score of 70% or more on a challenge exam for FIN 1521. COL 1001 will satisfy this requirement.			

ACTS Transfer Course Information

The Arkansas Course Transfer System (ACTS) contains information about the transferability of courses within Arkansas public colleges and universities. Students are guaranteed the transfer of applicable credits and the equitable treatment of the application of credits for the admissions and degree requirements. Course transferability is not guaranteed for courses listed in ACTS as "No Comparable Courses." See ACTS - Arkansas Course Transfer System acts.adhe.edu/studenttransfer.aspx for specific course information. See Acceptance of Transfer Credits section of the UAFS Undergraduate Academic Catalog for a complete list of transfer provisions.

Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
