

MEET OUR SPEAKERS

Sarah McBroom

Senior Manager for Regional Engagement at Project Equity

Sarah began her career at the Arkansas Economic Development Commission focused on business development and retention. She was then an officer at the Winthrop Rockefeller Foundation building strategies to leverage philanthropy to catalyze systemic change and build statewide property. Currently, she is Senior Manager for Regional Engagement at Project Equity. Sarah collaborates with city & county governments, economic development organizations, foundations, and other regional partners across the U.S. to unlock the power of employee ownership to build stronger local economies.

Dale Brunk

CEBS, AIF, Financial Advisor at Landmark Financial, LLC

Dale Brunk is a partner and financial advisor at Landmark Financial where his goal is to help clients achieve their long-term financial goals. His real passion is working with business owners. As a business owner himself, he sees the need to support his community by helping the businesses design and implement comprehensive retirement and employee benefit plans. He is passionate about helping others, investments and partnering with business owners to build success stories.

David Moody

Founder at Jacksson David LLC and Executive Director of Ark Angel Alliance Investors

David is the founder of Jacksson David LLC, a business consulting firm, former Deputy Director of the U.S. Small Business Administration in AR and a NASA guy. He served for 13 years in the aerospace industry as a program analyst, manager and consultant for the Shuttle, Space Lab and Space Station programs. David has owned & operated several businesses in the fields of risk management, retail and business consulting, run a \$52M program for the Arkansas Energy Office, and invested in dozens of Arkansas startup companies. He was recently named as the new Executive Director for the Ark Angels Alliance and is leading the Minority Business Empowerment Fund program with Southern Bancorp and the Croom Firm.
