## NOTES

1. Follow the State General Education Core Requirements, see Graduation Requirements section of this catalog.
2. Directed electives, 22-25. (Courses taken to satisfy other State General Education Core Requirements cannot fulfill the directed electives requirement.) Select 22-25 hours of 1000/2000-level electives from the following areas: ANTH, ART, BIOL, CHEM, CJ 1013, ECON, ENGL (except ENGL 1201), FORL, FREN, GEOG, GEOL, GERM, HIST, HUMN, MATH (except MATH 1133 and MATH 1203), MUSI 2763, PHIL, PHSC, PHYS, POLS, PORT, PSYC, RHET, SOCI, SPAN, SPCH, STAT, THEA.
3. Students declaring the associate of arts who expect to apply for admission to a health science program should be aware of the following: 1. science courses taken more than five years prior to program application may not be eligible for health science programs and may need to be retaken; 2 . health science programs require a grade of $C$ or better for all courses applicable to the program. Courses with a grade of $D$, including science courses, may need to be retaken. See the specific health science program advisor for more information and to request a science course evaluation.

## Prior to graduation students must demonstrate competency in financial literacy by satisfactory completion of FIN 1521 Personal Finance Applications (or an approved substitution) with a grade of C or better, or by a score of $70 \%$ or more on a challenge exam for FIN 1521.

## Student Degree Program Requirements

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program major. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
