

IDN: _____

Printed Name: _____

Computer Science-Minor Code: A038

See your advisor to declare your minor.

The prerequisites and corequisites of the degree requirements are subject to change.

The minor in computer science requires 20 hours of coursework. Courses taken in the minor must be completed with a grade of C or better.

The following course must be completed with a C or better prior to declaring the minor:

Courses

| | | |
|----------------------|---------|-------------|
| MATH 2804 Calculus I | 4 Hours | Grade _____ |
|----------------------|---------|-------------|

Required 11 hours:

Courses

| | | |
|---------------------------------------|---------|-------------|
| CS 1014 Foundations of Programming I | 4 Hours | Grade _____ |
| CS 1024 Foundations of Programming II | 4 Hours | Grade _____ |
| CS 2003 Data Structures | 3 Hours | Grade _____ |

Select nine hours from 3000- or 4000- level courses in Computer Science:

Courses

| | | |
|-------|---------|-------------|
| _____ | 3 Hours | Grade _____ |
| _____ | 3 Hours | Grade _____ |
| _____ | 3 Hours | Grade _____ |

Total Hours: 20 hours

Student Degree Program Requirements

A student’s degree program requirements are those specified in the catalog in effect at the time of declaration of program minor. Students must meet the above program requirements and the graduation requirements as indicated by institutional and college policy. The program can be changed only with the approval of the official advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer terms), they must re-enter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
